Ok, sorry I was a little frazzled that day with the vehicle breakdown and trying to get that job finished up. I though you said later this week.

Sounds great until the new year then, nice meeting you.

David

Mr. Fiala,  
 Just a note to let you know that I received your certificates. I won't be needing any pictures or anything else at this time though. As I explained at the site, it will be about 60 days when you will get more information regarding the inspection.

Thank you,

Paul:

Hope you had a good holiday, I did not ask if you were a Veteran, Happy Veteran's Day if you are.

Attached are the copies of the firm and my individual certificate you requested I just email you. I'll type out our report and send it to you to summarize the communication last week. If you do not need anything else and we are okay let me know that. It should be by tomorrow if that is okay. We finished the clean up on Friday and Saturday morning, and the termite firm was coming back there today I believe so I'll clean up again if anything new and small is needed and complete the report. I can take finished pictures if you need them.

Kind regards,

David Fiala
